

CEREBRAL PALSY ASSOCIATION OF INDIA

PROPOSAL

SHIKSHAN (शिक्षण) A PROJECT FOR EDUCATIONAL SUPPORT

Windsor BMC Library Building, Windsor Lane, C S T Road,
Kalina, Santacruz East, Mumbai, Maharashtra 400098

www.cpai.org.in

ABOUT US

Cerebral Palsy Association of India (CPAI) is an NGO working towards the rehabilitation and self-sufficiency of the persons with multiple disabilities, with the aim to expand its services to assist the needy and their families within our society. Through our Swanama Project we are empowering underprivileged women and single mothers. At present we are working in three different cities Mumbai, Bhopal and Lucknow.

THE NEED

We have observed that children who have lost their earning parent or have become unemployed due to covid, face financial difficulty while obtaining school admissions and/or continuing their studies. Due to this factor many of them are forced to discontinue their studies. This is more prevalent especially amongst single mother families.

Yash (name changed), a 9-year-old child, lost his father when he was just 6 months old. Presently, he lives with his mother Sarita (name changed) at Sanpada, Navi Mumbai and is studying in 4th standard. The cost of his education was borne by his paternal uncle pre Covid.

To support Yash, his mother started working as a seamstress trainer. She wishes her Yash gets good education but is unable to do so due to financial constraints. CPAI, today, supports single mothers like Sarita in sponsoring their child's educational expenses.

BUDGET

**Yearly primary school fees
& other essential expenses

TARGET

**It's our aim to initially support 50 such
beneficiaries from underprivileged families.**

MUMBAI | LUCKNOW | BHOPAL

To begin with, this project will be implemented in three cities across India. With a dream to empower mothers in our nation, this is a start to an amazing future; not just for mothers but for children too, who are the future of our nation. We look forward to an impactful beginning in these three cities.

HOW YOU CAN HELP

Your donation will help us achieve our mission of ensuring child education and a bright future for underprivileged children across India.

Sponsor a child's education with for a happy childhood and a better future.

OUTCOME

Making sure that a child gets education is a step towards making them stand on their own two feet and also be supportive to their family in the future. Enabling mothers to give their children a bright future, is a hope that will keep them going and give them peace of mind.

Following are the ways in which we will support our beneficiaries:

Financial support will be provided to children who have dropped out of school, so that they can gain access to education again.

Learn skills and shape their personalities to become independent individuals that contribute to the sustainable development of the community.

APPEAL

Together we can build a nation free of poverty and give India's children a better future through education. Kindly donate generously, for educating a child, to create a better future of their families. CPAI project Shikshan will change the lives of many children every year.
